

Tribes Learning Communities – Tribes TLC® Funding Sources

Tribes TLC® has been implemented using a variety of grant funding sources with a focus on enhancing academic achievement, professional development, mentor teaching, beginning teacher training, developing leadership, safe and drug free schools, comprehensive school reform, alcohol, tobacco and other drug abuse prevention, violence and bullying prevention, conflict resolution and mediation, character education, service learning, small learning communities, alternative education, charter schools, youth development, delinquency prevention, community development, technology in education, English language acquisition, diversity, multi-cultural education, health, wellness and physical education. Schools and districts have also received funding from foundations, corporations, and private organizations.

The following links will provide information on possible funding sources, depending on your project and focus. Please contact CenterSource for more information and supporting documentation.

Juvenile Justice and Delinquency Prevention Act Department of Justice, Office of Juvenile Justice Delinquency Prevention (OJJDP)

Title V – Community Prevention Grants Program (OJJDP)

Requires application by a governmental entity, such as a city, police department, juvenile justice organization. The governmental entity can partner with a school, school district, non-profit, or for-profit entity. Requires 50% match, which can be in the form of “in-kind” services.
